FUNDING: Charter Fund

Memo

To: Bob Bush, Superintendent
From: Joe Dana, Director of Charter Programs
Date: December 6, 2012
Re: Revisions to Operational Agreement for Orcutt Academy

Background

The Operational Agreement between the Orcutt Union School District and the Orcutt Academy outlines and defines the operational and financial relationship between the district and school. It describes the specific funding sources available to the school, the terms under which the district claims funding entitlements on behalf of the school, and how the district makes funding available to the school. It also details services the school will pay the district to provide.

In preparation for the 2013-2014 school year, staff have needed to revisit the Operational Agreement to include a section on Transitional Kindergarten. In order to comply with state law and with a directive from the California Department of Education, the Orcutt Academy will need to offer Transitional Kindergarten this coming year. Because Transitional Kindergarten would be extremely difficult to offer at the Academy's K-8 campus in Casmalia, the Academy requests to have its TK students participate in the district's TK program at Joe Nightingale School. The Academy is planning for two students in TK in 2013-2014. Upon completion of the district TK program, these students will matriculate to the Academy's K-8 campus in 2014-2015.

In the process of revisiting the Operational Agreement to include the item on TK, a team of district staff (Bob Bush, Jan Yanagisako, Marysia Ochej, Rebecca Holmes, and Joe Dana) reviewed the entire agreement. A section on the SOAAR (Supporting Orcutt Academy's Academic Resources) Foundation was added and some wordsmithing changes were made.

Recommendation

Staff recommends all of the proposed revisions to the Operational Agreement be approved as submitted.

Fiscal Impact

None.

OPERATIONAL AGREEMENT
THE ORCUTT UNION SCHOOL DISTRICT
ON BEHALF OF
ORCUTT ACADEMY

1. CHARTER GRANTED TO ORCUTT ACADEMY

The Charter School is a dependent charter and shall be locally funded.

It is further understood that the operation of the Charter School shall be at no expense to the other school sites operated by the district.

3. TERM

without audit exception in the school's annual audit. The School will report ADA figures to the District, County Office of Education, or California Department of Education, as appropriate, on a timely basis. The District will report ADA data to the Santa Barbara County Office of Education and/or California Department of Education as necessary to enable the School to receive the funding specified in this Agreement. The District will also ensure timely transfer of property tax funds due to the School as required by Education Code Section 47635 and its successors. ADA for the purpose of Section 47635 shall be based on the number of students enrolled in the school multiplied by the school's prior year average daily attendance as percentage of enrollment as reported to the California Longitudinal Pupil Achievement Data System. If prior year figures do not exist, the District's prior year percentage figures shall be used as a proxy.

The District shall also share with the School a share per unit of ADA of all local operational funding sources.
