

Add Them Up

Materials: Game board, 12 counters or linking cubes, and two dice.

Rules: Be the player with the most markers at the end of the game.

- 1) Put a counter on each number on the game board.
- 2) The first player rolls the dice and adds the 2 numbers.
- 3) He/She removes the sum from the game board or any 2 numbers that add up to the sum. (EX: player rolls a 3 and a 5. He/She can remove 8 or any combination of numbers whose sum is 8 such as 7 and 1, 6 and 2, 3 and 5.)
- 4) Players take turns rolling the dice and removing markers. When a player cannot remove a marker that matches the roll, he/she loses that turn.
- 5) Play until neither player can remove markers.
- 6) The player with the most markers wins.
